Australian and New Zealand Biosolids Partnership E-News

The Australian and New Zealand Biosolids Partnership (ANZBP) supporting sustainable management of biosolids in Australia and New Zealand

Dear ANZBP members and colleagues,

It was great to see so many of you at this week's Biosolids and Source Management Conference on the Gold Coast.

During the week some important news was released regarding the findings of a Fair Work Australia case. This news has the potential to impact the broader biosolids industry via increased transport and handling costs.

The Fair Work Australia decision can be found [here](#) and a report published on a transport industry websites can be found [here](#) and [here](#).

As specialists working in biosolids management, you are invited to share information on biosolids developments within your locality, as well as resources and activities that may be valuable to other ANZBP subscribers. These contributions, plus your comments on this E-news or the ANZBP website (www.biosolids.com.au) can be forwarded to the ANZBP Project Team - admin@biosolids.com.au

From the ANZBP Team

The email has been sent on behalf of the Australian and New Zealand Biosolids Partnership by:
